The rejection of claims 1-13 under 35 USC 103 over US 6777421 Jordan et al has been withdrawn since applicants have amended the claims to include q as 0 and also since they have clearly shown that the R0 is different from that of the prior application.

The following is an examiner's statement of reasons for allowance:.

The applicants have overcome all the rejections and objections and now the claims 1-13 are in a condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
